Final Note by the First Member of Council.

Subject:—

Deputation of Mr. V. M. Appadhorai Mudaliar to Turin for about two months.

The Director of Industries & Commerce reports that an International Silk Exhibition is being held at Turin (Italy) from May 1928 and that it will remain open till the beginning of November 1928. The object of this Exhibition is to stimulate the revival of Italian Sericulture and to focus public attention on the latest improvements in rearing and reeling methods, the marketing of silk and the organization required for promoting the interests of the silk industry.

2. The Exhibition is considered to afford an excellent opportunity for studying the most recent advances in the technique of European sericulture. The Director suggests that Mr. V. M. Appadhorai Mudaliar, Assistant Superintendent of Sericulture, who has already been in Italy and has some acquaintance with the Italian language, may be deputed to attend the Exhibition at an estimated cost of Rs 2,050/-.

3. The matter was considered in Council; and in accordance with their decision and in view of the urgency of the matter, orders have been issued sanctioning the Director's proposal.

4. I beg to report these facts for the gracious information of His Highness.

SIR,

I have the honor to state that Signor W. Mari, the former Sericultural Expert of the Government, writes to say that an - International Silk Exhibition will be held at Turin during October this year. The Italian Government have taken active steps to resuscitate the decaying silk industry in that country and - created last year a National Silk Institute for the purpose. A report of work done by the Institute was sent to you with my - letter No. G1. 1326/27-28 dated the 19th May 1928. It is expect -ed that the Exhibition proposed to be opened at Turin will be - used by the Italian Government to focus public attention on the latest improvements in the methods of rearing and reeling silk, the marketing of silk and all the organisations required to promote the development of silk industry. I am of opinion that we should take advantage of the exhibition and depute one of our - officers to attend it. I would select Mr. Appadore Mudaliar who has already been to Europe and knows Italian. I am fully convinc -ed that we cannot afford to neglect the opportunity to improve our knowledge of the developments in the technique and the business organisation adopted by the great silk producing centres of the - world and I strongly recommend that Mr. Appadore Mudaliar may be deputed to visit Turin.

Yes, I have friends in that country, who can help him to get at valuable information

I have separately addressed the Italian Consul at Bombay for

for further particulars regarding the Exhibition and shall address Government as soon as I hear from him.

I have the honor to be,
Sir,

C Rangaswamy Rao Saheb

In continuation of my D.O.No.93 dated 14-7-1928, I have the honour to submit herewith an estimate of cost together with the letter received from Messrs, Thos Cook and Son, Ltd., in connection with my deputation to Italy to attend the International Silk Exhibition at Turin for your kind information.

I request you to kindly submit the same to the Director of - - Industries and Commerce with your recommendation very early for obtaining sanction of Government.

As regards daily allowance of Rs.15/- per day claimed in the estimate, I beg to bring to your kind notice that Government have been pleased to pay my actual expense during my last deputation to this country, which works out to Rs.10/- per day in places like Milano, Veniea, Brescia, etc.

As Turin is usually a busy place and an International Silk - - Exhibition in a place like Turin, is sure to inflate the cost of living, hence I have claimed Rs.15/- as daily allowance in the estimate for kind sanction.

I am also enclosing herewith, a plan of the steam ship, Form A, and a copy of Oriental Traveller's Gazette for your kind perusal and early return.

If I am permitted to sail on 15-8-1928, I request you to kindly arrange with Messrs.
